

20 LinkedIn Posts – BS Ultimate Launch Kit PLR

Hey Partner,

Your audience is full of people dreaming of launching a blog but stuck in the overwhelm — tech, templates, and endless to-do lists. That's where the **Blogger's Success Ultimate Launch Kit PLR** comes in.

This isn't just another course or checklist. It's a **complete, done-for-you launch system** with:

- Pre-written website pages
- Lead magnet library + opt-in pages
- 5-part welcome email sequence
- Strategic blog post templates
- Funnel maps and growth planners

They get everything set up, branded, and optimized — ready to launch in a weekend.

Use the posts below to show them that blogging doesn't have to be hard, time-consuming, or expensive. You're not just sharing a product — you're handing them a shortcut to building a real blog business.

Post 1: Launch Without the Overwhelm

Ever feel like setting up a blog is a full-time job?

The **Ultimate Launch Kit PLR** takes care of the tech, the templates, and the training — so your subscribers can launch like pros, without losing weeks (or sanity).

- ✓ Pre-written pages
- ✓ Lead magnets ready to go
- ✓ Full email sequence done-for-you

Send them here → [Insert Affiliate Link]

Post 2: Done-For-You = Done Right

Most people quit blogging before they even launch.
Not because they're lazy — but because the setup feels impossible.

This kit removes the roadblocks:

- Blog setup blueprint
- Opt-in pages
- Email automation
- Content templates

If your list needs momentum, send them here → [Insert Affiliate Link]

Post 3: The Weekend Launch Solution

Imagine turning a blank website into a fully branded blog in just a weekend.

That's what this PLR pack makes possible.

Your subscribers get:

- 5 pre-written website pages
- Editable lead magnets
- 5-part welcome email series
- Growth & automation planners

Share it today → [Insert Affiliate Link]

Post 4: The “Shortcut Seekers” Dream

Your audience doesn't want another course to sit through.
They want results.

This **done-for-you kit** gives them:

- Templates they can plug in
- Systems they can follow
- A business they can launch fast

Post 5: Help Them Skip the Tech

Tech overwhelm is the #1 reason bloggers never launch.
This package solves that.

Inside:

- ✓ WordPress walkthrough
- ✓ Plugin checklist
- ✓ Opt-in page templates
- ✓ Email automation recipes

Be the one who delivers the shortcut → [Insert Affiliate Link]

Post 6: The “Business in a Box” Offer

Give your subscribers the **confidence + tools** to finally start their blog business.

This is more than templates — it’s a complete launch system.

Send them here to grab it while it’s available: [Insert Affiliate Link]

Post 7: Authority, Ready to Go

You can’t build trust with a half-finished blog.

This kit gives your readers a **professional, polished blog presence from Day 1**.

That means faster growth and more authority.

Here’s where they can grab it → [Insert Affiliate Link]

Post 8: The Content Problem? Solved.

Your subscribers don’t need another PDF of “50 tips.”

They need a clear plan to write, post, and publish content that actually works.

This kit includes:

- Strategic Post Structure Navigator

- Blog Editing Checklist
- Authority Blog Audit Template

Share it today → [Insert Affiliate Link]

Post 9: No More Guessing

Blogging shouldn't feel like throwing spaghetti at the wall.

This kit gives your subscribers a **visual funnel map** that shows exactly how everything connects.

When they see the big picture, they'll take action faster.

Give them the map: [Insert Affiliate Link]

Post 10: A Lead Magnet Library, Done

What if your list could offer beautiful, high-converting freebies today — without designing anything?

This kit has 5 done-for-you lead magnets, editable and ready to use.

Perfect for instant list growth.

Post 11: Monetization Made Simple

Many bloggers get stuck on “what to sell.”

This kit includes email swipes and cross-sell templates so your subscribers can **start making offers immediately**.

Help them start earning → [Insert Affiliate Link]

Post 12: The Fast-Action Solution

This is for your subscribers who are ready to stop learning and start doing.

- ✓ Launch plan? Included.
- ✓ Email sequence? Done.
- ✓ Blog templates? Ready.

All they need is to take action → [Insert Affiliate Link]

Post 13: Remove the Tech Fear

Your audience may be avoiding the tech side of blogging because it feels too big.

This kit breaks it into a **step-by-step blueprint** — simple enough for anyone to follow.

Be the hero who hands them clarity → [Insert Affiliate Link]

Post 14: Perfect for Reselling

If your audience sells digital products or wants to start, this PLR package is ready to be turned into **their next premium offer**.

PLR included → they can resell it for 100% profit.

Share it with your list → [Insert Affiliate Link]

Post 15: The “Anti-Overwhelm” Offer

Your subscribers don’t need 100 more PDFs cluttering their downloads folder.

They need **just enough** to launch — fast.

This is the minimum viable system they’ve been waiting for.

Send them here → [Insert Affiliate Link]

Post 16: From Blank Blog to Branded

This kit makes it simple:

- Brand assets ready

- Website pages pre-written
- Content mapped out

Their blog could be live this weekend.
Share the shortcut: [Insert Affiliate Link]

Post 17: Perfect Bridge to Action

This offer is the bridge between “thinking about blogging” and actually doing it.

Help your subscribers take that leap today → [Insert Affiliate Link]

Post 18: Teach Them How to Launch Right

The Pro Blog Setup Blueprint ensures they build a **future-proof foundation** — not something they’ll have to redo later.

5 LinkedIn Carousel Post Hooks

Carousel 1: The “Weekend Blog Launch” Hook

Slide 1:

“What if your blog was live by Monday?”

Slide 2:

Most bloggers spend months stuck in setup mode.
Theme, plugins, email tools, pages... overwhelm takes over.

Slide 3:

This kit does the heavy lifting:

- ✓ Blog setup blueprint
- ✓ Pre-written website pages
- ✓ Lead magnets + opt-in pages
- ✓ Welcome email sequence

Slide 4:

Your audience can launch with confidence — in days, not months.

Final Slide CTA:

“Ready to launch like a pro? Send them here → [Affiliate Link]”

Carousel 2: The “Stop Guessing” Hook

Slide 1:

“Blogging shouldn’t feel like guesswork.”

Slide 2:

Most beginners waste months trying to figure out what to post, how to grow, and when to sell.

Slide 3:

The Ultimate Launch Kit gives them:

- Strategic Post Templates

- Content Calendars
- Visual Funnel Map

Slide 4:

They'll know exactly what to do — and in what order.

Final Slide CTA:

“Help your audience skip the guessing. Grab the kit → [Affiliate Link]”

Carousel 3: The “No More Blank Pages” Hook

Slide 1:

“Blank page syndrome? Not anymore.”

Slide 2:

This kit comes with:

- 5 pre-written website pages
- 5 lead magnets
- 5-part welcome email sequence

Slide 3:

They just plug in their name, their brand... and hit publish.

Slide 4:

No writing from scratch. No overwhelm.

Final Slide CTA:

“Show them how easy it can be → [Affiliate Link]”

Carousel 4: The “Big Picture Map” Hook

Slide 1:

“Ever feel like blogging is just random posts and hope?”

Slide 2:

Your audience needs a strategy, not just tips.

Slide 3:

The Visual Funnel Map + Blog Growth Planner show them exactly how every piece connects.

Slide 4:

Finally — a roadmap that takes them from first post to first sale.

Final Slide CTA:

“Be the guide. Share the map with them today → [Affiliate Link]”

Carousel 5: The “DFY Business in a Box” Hook**Slide 1:**

“What if your audience could launch a blog *and* sell this as their own product?”

Slide 2:

This kit comes with full PLR rights — meaning they can use it, rebrand it, and resell it.

Slide 3:

It’s a turnkey business system they can put their name on.

Slide 4:

Authority + monetization, ready to go.

Final Slide CTA:

“Promote this offer and give them a business in a box → [Affiliate Link]”

Final Word

Now is the perfect time to share this offer. Your audience is looking for **clarity, speed, and a way to finally hit publish without months of tech stress.**

- Done-for-you system = zero overwhelm
- PLR rights = extra monetization potential
- Instant authority = their audience trusts them faster

Drop your link in every post, story, and email — and remind them this is their chance to launch like a pro without overpaying for expensive setups or hiring a team.

Let's help them go from **'someday' bloggers to business-ready creators** — and reward you with commissions while we're at it.
