Your audience will love it because it removes tech headaches and makes them feel confident enough to finally go live — and you'll love it because it converts like crazy.

Instructions for Promoting

We've made this campaign as easy as possible for you:

- **Use the Swipe Files Provided:**
The 10-email swipe series, social posts, and ad templates are written for high open and click rates. Customize them with your voice and unique bonuses if you want to stand out.
- **Hit the Big Pain Points:**
Talk about overwhelm, procrastination, and tech confusion — then show them how QuickStart solves all three in a weekend.
- **Leverage Scarcity & Timing:**
Remind your audience that this **special launch price and bonus pack are time-sensitive** — urgency drives action.
- **Stack Your Own Bonus:**
Adding even a small personal bonus (like a coaching call, checklist, or private Q&A) can dramatically boost conversions.
- **Mail Early, Mail Often:**
Promote on Day 1, remind them mid-cart, and mail hard during the final 24 hours. The majority of sales come right before the deadline.
